ANNUAL MOTORCYCLE EVENT RAISES FUNDS FOR JOE DIMAGGIO CHILDREN'S HOSPITAL

(Fort Lauderdale, Florida) On Sunday, December 10, 2017, more than 30,000 motorcyclists and double that amount of people are expected to take part in the "30th Annual South Florida President's Council (SFPC) Toys in the Sun Run" presented by the Mardi Gras Casino. Proceeds benefit the Joe DiMaggio Children's Hospital Foundation, Hollywood, Florida.

Joe DiMaggio Children's Hospital is one of the area's leading pediatric care hospitals, offering comprehensive health services and programs in an atmosphere that is child-friendly. An all-new facility opened in July 2011 in Broward County thanks to the support of events such as the SFPC Toys in the Sun Run, which since adopting the hospital, has raised over \$16 million to benefit the facility.

Motorcyclists will lineup at 7:00am and starting at 9:45am, the World's Largest Motorcycle parade will leave Mardi Gras Casino, escorted by over 250 police officers in cars and on motorcycles from the tri-county area. The run ends at Markham Park in Sunrise.

Some of the other events at Markham Park will be non-stop live music on three stages, huge motorcycle show, over 100 vendors, an international food court, cold beer, and soft drinks. In addition, there will be an open car and truck show which has been dubbed South Florida's "Most Unique Winter Car Show". Sponsored by Cruisers of South Florida, all proceeds from this event also benefit the children's hospital.

Entry into the event is only \$20 plus 1 new unwrapped toy or gift per person (\$30 entry fee without a toy). VIP spots are also available for those who want to be at the front of the line. Check out the website at www.toysinthesunrun.com for information on the different VIP Rider packages.

Participating sponsors of the Annual SFPC Toys in the Sun Run are Chester's Fort Lauderdale Harley-Davidson, Budweiser, Broward County Parks and Recreation, Geico, Peterson's Harley-Davidson and Miami Mike's Wheels on the Road Magazine, just to name a few.
